

Family name: Franzolini  
 Given name: Beatrice  
 E-mail address: [beatrice.franzolini@unibocconi.it](mailto:beatrice.franzolini@unibocconi.it) or [franzolini@pm.me](mailto:franzolini@pm.me)

### Research interests:

Bayesian nonparametrics, Bayesian modelling of complex data, dependent prior processes and completely random measures.

### Qualifications:

2017 – today	PhD in Statistics - Bocconi University, Milan, Italy.	
2014 – 2017	MSc in Finance - Bocconi University, Milan, Italy.	110/110 cum laude
2011 – 2014	BSc in Statistics - University of Bologna, Bologna, Italy.	110/110 cum laude

#### Other education:

July 2018	Bocconi Summer School in Advanced Statistics and Probability: Graphical Models.
December 2018	Bocconi Excellence in Advanced Teaching (BEAT) course.

### Teaching activities:

A.Y. 2020-2021	Adjunct Professor - Bocconi University Courses: Statistica; Financial Econometrics and Empirical Finance.
A.Y. 2019-2020	Adjunct Professor - Bocconi University Course: Statistica. Teaching Assistant - Università Cattolica del Sacro Cuore Course: Statistics. Teaching Assistant - Bocconi University Course: Financial Econometrics and Empirical Finance.
A.Y. 2018-2019	Teaching Assistant - Bocconi University Courses: Financial Econometrics and Empirical Finance; Statistica; Metodi Quantitativi per la Finanza.

#### Other work experiences:

2016-2019	Contributing Editor, Zanichelli Editore, Bologna, Italy.
2015-2017	Research Assistant, Bocconi University, Milan, Italy.

### Participation to conferences:

- 13<sup>th</sup> International Conference of the ERCIM WG on Computational and Methodological Statistics (CMSTATISTICS 2020), December 2020, Virtual conference.
- 45<sup>th</sup> Arkansas Spring Lectures Series - Mathematical Sciences, Fayetteville, USA (November 2020)
- 12<sup>th</sup> International Conference on Bayesian Nonparametrics (BNP12), June 2019, Oxford, UK.

### Editorial work:

I serve as reviewer for *Bayesian Analysis*.

### Language skills:

Italian (native language); English (C1); Spanish (B1).
